PPRC-MOC Vision:

To provide subject matter expert knowledge and personal experience to assist military veterans in selecting the applicable PMI certification, help them translate their skills and experience to successfully apply for the certification and to provide guidance and mentorship throughout the certification application process.

Getting started is half the battle and PMI suggests following these steps:

- Inventory your acquired skills
- Translate those skills into business terminology
- Consider a PMI certification to distinguish yourself
- Focus on building your network
- Find a mentor who successfully transitioned from the Military
- Leverage your transition assistance programs (TAP) and career resources
- Join a local PMI Chapter and start networking
